Janet Kristensen
Host

There is no doubt that we are living in an ever-increasing narcissistic society. Social media in particular has become a daily outlet for the expression of self and self-adulation. As believers we may need to have a heart check. Who are we trying to promote, God or ourselves?

The apostle Paul wrote in Romans 12:2 "Do not be conformed to this world but be "TRANSFORMED" by the renewal of your mind, that by testing you may discern what is the will of God, what is good acceptable and perfect. In this conference we will learn how to become a healthy person who knows how to "put on the new self".
