Colossians 2:2

attaining to all the wealth that comes from the full assurance of understanding, resulting in a true knowledge of God's mystery, that is, Christ Himself,

# SOUL MATES

... I FOUND HIM WHOM MY SOUL LOVES;  
I HELD ON TO HIM AND WOULD NOT LET HIM GO  
SONG OF SONGS 3:4

- Ten characteristics of soul mates
  1. It's something inside. It's a tenacious, profound and lingering emotion which no words can encompass.
  2. It is like you have known each other forever. A custom and natural fit
  3. You just get each other, finishing each other's sentences
  4. You love in spite of flaws. Love is not conditional on being perfect. Just as I am, no act or performance, free to be real
  5. It's an intense relationship, focus on resolving the separation issues (sin)

# CHARACTERISTICS OF SOULMATES

6. Two against the world. You feel like you can face anything as long as you have each other
7. You are mentally inseparable. Soulmates often have a mental connection similar to twins.
8. You feel Secure and protected. Each other's strong defenders
9. You cannot imagine life without each other
10. You look each other in the eye. Soulmates have a tendency to look into each other's eyes when speaking more often than ordinary couples. It comes naturally from the deep-seated connection between them. Looking a person in the eye when speaking denotes a high level of comfort and confidence
